

**UPDATED 7.7.23**

<b>Item</b>	<b>Issue</b>	<b>Question</b>	<b>Ruling</b>
Space Marine Captain on Bike	Front of Data Sheet shows Thunderhammer as a weapon option, but the back does not show a Thunderhammer	Can a Thunderhammer be fielded? What does it replace?	Yes you can field the Thunderhammer. It will replace the chainsword.
Ghazghkull Thraka and Ork Trukk	Trukk Data Sheet does not identify a model count for Ghaz, unlike the Battlewagon, which states he counts as 18 models.	Can Ghaz ride in a Trukk?	Yes Ghaz can ride in a Trukk. There is no ruling on the current Data Sheet saying he cannot.
Lay Low the Tyrant	Single or All 1's	How are you ruling on the Lay low the tyrant Oath? Is it a single hit of a 1 and single wound of 1 or all 1's to hit and wound?	We are ruling this ALL 1s
Black Templar Gladiator	The Black Templar Gladiator and Space Marine Gladiator are 2 separate Data Sheets	Can a Black Templar Army, using the Gladius Detachment take 6 Gladiator Tanks?	Yes. Since the Gladius Detachment does not restrict the Data Sheets in the same way the Righteous Crusaders Detachment does, you may field 3 of each Data Sheet.
Cult Ambush	Models equipped with One-Shot Weapons	When a model returns to the battlefield does it get any 'one shot' weapons equipped back?	Yes.
Forged in Terror (AURA)	Battle Shock Tests	If a unit is below half strength and near a chaos knight, does it take one Battle-shock test or two?	The affected Unit will take two. The first test is resolved then the strat can be triggered forcing a second test.
Overwatch Strat	Certain Models allow you to use a strat a second time, even if it's already been used that phase.	Can you Overwatch twice against the same unit?	No, you cannot Overwatch the same unit.
Infiltrators and Re-Deploy	Interaction between these two rules	If an Infiltrate unit is redeployed for some reason, can it still use the Infiltrate ability?	No. Infiltrate states this ability is used during the Deployment step.
Eligible to Shoot	A model is Eligible to Shoot unless it Advanced, Fell Back, or is Locked in Combat	If a unit already shot its weapon during the shooting step, can it still be targeted by any abilities which require it to be Eligible to Shoot?	Yes. Per the rules, as long as the model satisfies the Eligible to Shoot requirements, it is Eligible to Shoot, regardless if it shot its weapon.
For the Greater Good	FTGG, Eligible to Shoot, Shoot Again Interactions	Can a Guided unit become an Observer for another unit?	Yes. If a unit has an ability that allows it to Shoot Again, it must be Eligible to Shoot. See Eligible to Shoot ruling above.
Meganobs	Mega Armor Keyword	Meganobs are missing the Mega Armor Keyword. How many could fit in a Trukk?	Since they are infantry, 12 can fit in a Trukk.
Runtherd	Different Toughness values	Since a Runtheard is required in a Grot Squad, which toughness do you use in melee?	Per the Warhammer Commentary, if there 2 different toughnesses in a squad, you should use the higher one. This means the grots are T5 in melee. Note this is ONLY for NON-LEADER units. Per the rules, Leader Units joining a unit interact differently.
Leviathan Missions	Core Rule Book vs. Leviathan - Units from Reserve	When do units have to arrive to the battlefield during games at Show Me Showdown?	We are using Leviathan Missions at Show Me Showdown. Per the Leviathan Mission rules, units in reserve must arrive by turn 3 or count as destroyed.
Death Korp of Krieg	Front of Data Sheet shows Medi-Pack as a warger as a option, but the back does not show the Medi-Pack	Can a Medi-Pack be fielded? What does it replace?	Yes. Use the same the logic for fielding the Vox-Caster.
